Component Mission

The mission of State Pension Investment Board is to manage state pension funds.

Component Services Provided

1. Invest the funds of the state defined-benefit pension plans:
 - Public Employees Retirement System
 - Teachers' Retirement System
 - Judicial Retirement System
 - Alaska National Guard and Alaska Naval Militia Retirement System
2. Select and monitor appropriate investment options for the Supplemental Benefits Annuity Plan and the Deferred Compensation Plan.

Component Goals and Strategies

- Maximize the rate of return on funds managed consistent with fiduciary standards.
- Manage the Trusts in accordance with the stated asset allocation objectives and constraints.
- Meet or exceed established investment benchmarks/targets over the appropriate time horizons.
- Achieve top quartile investment returns on a risk-adjusted basis while limiting total risk to that of an average public-sector plan over the long term.
- Provide balanced menu of options for supplemental benefit systems and deferred compensation participants.

Key Component Issues for FY2002 – 2003

- Key issues for the board include dealing with the financial and economic turmoil caused by the terrorists attacks of September 11. The board also is committed to continuing to improve the investment program for participants in the Supplemental Benefits System and Deferred Compensation Plans.

Major Component Accomplishments in 2001

- In 2001 the Public Employees and Teachers Retirement Systems both exceeded their benchmark returns.
- The board implemented a securities lending program.
- The board added several new options to the Deferred Compensation and the Supplemental Benefits System Plans to improve participants' investment choices.
- The board terminated several investment managers and reallocated those investments to improve returns going forward. Reallocating to existing managers also resulted in a reduction of over \$2 million in annual management fees.
